

ARCTIC PAPER

Declaration of Compliance Statement

G-Flexmatt and Food Contact Arctic Paper Grycksbo AB

This is to certify that the paper product G-Flexmatt produced by Arctic Paper Grycksbo AB complies with the applicable paragraphs of the following regulations and recommendations.

Regulation (EC) No 1935/2004 on materials and articles intended to come into contact with food.

Regulation (EC) No 2023/2006 on good manufacturing practice for materials and articles intended to come into contact with food.

BfR recommendation XXXVI, paper and board for food contact.

Directive 94/62 EC on packaging and packaging waste, concerning the content of heavy metals.

The paper product has been tested by ISEGA, and found to be safe for food packaging. The paper may stand in contact with dry and fatty foodstuff.

It is the customer's responsibility to assure the appropriate, safe and legal use of the paper products. The user of the paper has to ensure the suitability for the particular purpose for which the user intends to use the paper, or when needed for other reasons, to use a proper barrier.

The information provided in this declaration is based on our actual knowledge of the paper product. We assume no responsibility for any deviations from this information which is due to facts or circumstances beyond our actual knowledge about the paper and its components. The information in this declaration is subject to the limitations of liability set out in the General Trade Rules or any other separate written agreement for the sales of paper products between Arctic Paper Grycksbo and the customer in question.
